

The 13th SINO-US Chemistry Professors Conference

June 17-20, 2017, Nantong, Jiangsu Province China

THE FIRST ANNOUNCEMENT

On behalf of the Organizing Committee, we would like to invite you to attend the 13th SINO-US Chemistry Professors Conference (13th SINO-US CPC), which will be held from June 17 to 20, 2017 in Nantong, Jiangsu, China. The theme is “Chemistry: The Central Science in Technology Innovation and Medicine”, and the topics include Organic Chemistry, Chemical Biology and Medicinal Chemistry, Self-assembly and Functional Materials, Chemical Engineering and Technology, *etc.* There are plenary speakers, invited speakers, oral and poster presentations in the conference. We will offer you a free registration and free meals during the conference, but the travel expenses and local accommodation should be paid by yourself. If you accept this invitation, please send the Registration Form to 13621714262@163.com or mlma@brain.ecnu.edu.cn before March 31, 2017.

The conference is a major event, launched by the Chinese-American Chemistry & Chemical Biology Professors Association (CAPA), It is an annual forum for chemistry professors from China, USA, and other countries to present their recent research results, exchange scientific ideas, promote friendship, and facilitate research collaboration. The 13th SINO-US Chemistry Professors Conference is co-hosted by East China Normal University, Rudong People's Government and CAPA.

We sincerely hope that you would accept our invitation and attend the conference.

- Date:** June 17-20, 2017 (Check-in on June 17, check-out on June 20)
